INFORMATION - PLUS OTHER**

NON-PENNANT & SOCIAL EVENTS

With winter weather now set in, not much has happened from a social point of view over the past month. *Recently a group of approximately 24 members had a great day out with their history tour of the MCG followed by a very nice café lunch. Well done John Chandler and crew for putting this event together. John, thank you for the photos.*

Winter bowls is in full swing, with all competitions having great attendance figures. *Special thanks to Peter Hanslow for his continuing contributions towards the success of Tuesday Bowls, and our thoughtful appreciation is expressed to Ron Pretto and his helpers for their efforts with Wednesday "Scroungers", and Saturday triples. Along with John Chandler's Sunday Bowls, it is good to report that all winter events are being well supported and running smoothly.*

At our last meeting the committee decided to participate in the "Manningham Council's Annual Community Fund Raising "Raffle", With all prizes donated by the local business community, and all funds raised to be distributed to social and sporting organisations throughout the municipality, *our club see this as a great opportunity.* The major prize on offer is a **\$5,000 shopping voucher at Myer. Tickets will sell at \$2 each, with \$1.50 being returned to the club for each ticket we sell.**

We have applied for 100 books and members are encouraged to support this by selling as many tickets as possible. The formula is simple. The more tickets our club members buy or sell, **the more OUR club benefits.** Watch out for your ticket book arriving very soon.

For more info, contact John Chandler on 0448 005 662, our new President of the Non-Pennant & Social events.

I hope that all members "winter well" and that the incoming President and committee receive the same support I have had over the past few years.

Keep on Rolling,

Brian Roberts - retired President NP&SE
